(D) As G.O.No.2877 Revenue, dated 26th September 1911, was passed

passed at the instance of the Board of Revenue, Land Revenue. I was under the impression that necessary provision would have been made in the budgets of the District. The Collector's letter of the 8-9-1926 seems to show that this was not the case. In the circumstances, I request the orders of Government as to whether the Fisheries Department should provide in its budget for payment of rewards for killing crocodiles in the Kodi tank, South Canara.
